

Utility Information

Electricity: According to the Sevier County Electric System (SCES), electricity service is available and connected to the property. For additional information please contact SCES at (865) 4532887 or visit www.sces.net.

Water: According to the Pigeon Forge Utility Department, water service is available and connected to the property. For additional information please contact the Pigeon Forge Utility Department at (865) 429-7375 or visit www.cityofpigeonforge.com/utilities.

Sewer: According to the Pigeon Forge Utility Department, sewer service is available and connected to the property. For additional information please contact the Pigeon Forge Utility Department at (865) 429-7375 or visit www.cityofpigeonforge.com/utilities.

Gas: According to the Sevier County Utility District (SCUD), natural gas is connected to the cabins across Country Oaks Drive. An extension of the main line would be required to extend it to the cabin. Contact the SCUD engineering department to determine costs and feasibility at (865) 453-3272 or visit www.scudgas.org.
