REAL ESTATE SERVICES

Tyson Place

Prime Dental / Medical Office Space Minutes from Downtown Knoxville

Discover an exceptional opportunity to locate your dental / medical practice in this beautifully renovated 3,148 SF office just minutes from downtown Knoxville, the University of Tennessee, and convenient access to I-40 and I-75.

Originally built as a historic school, this building has been thoughtfully transformed into an upscale, modern professional environment—blending timeless architectural character with premium contemporary finishes.

Property Highlights:

- 3,148 SF of FULLY FURNISHED dental / medical office space
- Convenient central location near downtown, UT campus and major interstates (I-40, I-75, I-640, I-275)
- Fully renovated interiors with preserved original architectural details
- Access to outstanding on-site amenities including:
 - Full-size basketball gym
 - Fitness center
 - Expansive open gardens and outdoor gathering areas
- Ample parking for staff and patients

This unique property offers both function and character, creating an inviting environment for patients and professionals alike. Whether you're establishing a new practice or expanding in the Knoxville market, this location provides the perfect combination of accessibility, prestige and comfort.
