Exceptional Industrial Investment Opportunity in East Knoxville

Positioned in one of East Knoxville's premier industrial areas with convenient access to I-40, 2718 John Deere Drive presents an outstanding opportunity to acquire a fully leased, multi-tenant industrial property offering an established income stream from multiple tenants. The approximately 22,600 SF building features three tenant suites and a combination of warehouse, distribution, showroom and traditional office space. Situated on 2.79 acres and zoned I-G (General Industrial District) within the City of Knoxville, this property offers an attractive combination of location, functionality, and long-term investment potential.

Originally constructed in 1988, the property is designed to accommodate a variety of industrial and commercial operations. Each suite features dedicated warehouse and office space, multiple dock doors, drive-in access where applicable, three-phase electrical service, and suspended gas heaters. The well-appointed office areas include private offices, showrooms, kitchens, and restrooms, providing flexibility for a wide range of tenant requirements.

With its established tenant base, versatile building layout and desirable location, 2718 John Deere Drive represents an attractive investment opportunity in the Knoxville industrial market.
